| |) | |

Now comes the Defendant, by and through counsel, and respectfully asks that the pretrial set for February 7, 2022 be continued. Counsel and AUSA have been in communication and expect this matter to resolve without the need for a trial but are not yet prepared for a final pretrial as additional discovery materials need to be exchanged and reviewed. The instant motion for a short continuance is unopposed. This request is not being made with an intent for unnecessary delay.

WHEREFORE, it is respectfully requested that the final pretrial be continued to a later date convenient to this court.

Respectfully submitted,
